CENTRE FOR INNOVATIVE BIOMEDICINE AND BIOTECHNOLOGY

PROGRAM "CIBB Meeting" 2022

MORNING

09:15 | Opening session: Luís Pereira de Almeida, Coordinator of CIBB Associated Laboratory

"Research@CIBB"

09:45 | Jorge Brandão, member of the Board of the Managing Authority of the Regional Operational Programme CENTRO 2020

"CCDRC support to research at the Centre region of Portugal"

10:30 | Inês Costa, GGI, Faculty of Medicine, University of Coimbra (FMUC)

"From molecular research to societal impact - point of view of a Research Management Office"

11:00 | BREAK

11:15 | "CIBB doors to the society" | Scicomm, TechTransfer and GreenLabs teams

12:00 | Henrique Girão, CIBB, University of Coimbra

"The Clinical and Academic Center of Coimbra: new challenges form biomedical research"

12:30 | Cristina Márquez, DYNABrain ERA Chair holder, University of Coimbra

"Social brain in health and disease"

13:00 | LUNCH

AFTERNOON

14:30 | Folkert Kuipers, University Medical Center Groningen (UMCG), The Netherlands

"Gut-liver axis in healthy ageing: emerging roles of bile acids" (zoom)

15:15 | Teresa C. Delgado, Biocruces Bizkaia Health Research Institute, Spain

"Fatty Liver: causes, treatments and complications" (zoom)

15:45 | Sandra Tavares, *"Women in Science" Medalha L'Oréal* 2021, i3S, University of Porto, Portugal

CENTRE FOR INNOVATIVE BIOMEDICINE AND BIOTECHNOLOGY

"Going FERther: using FER kinase to improve our knowledge on recycling mechanisms in high-risk breast cancer"

16:15 | **BREAK**

16:30 | Madalena Alves, President Fundação para a Ciência e a Tecnologia (FCT)

"Dúvidas e certezas para a Ciência em 2023"

17:45 | Lino Ferreira, CIBB, University of Coimbra

Healthy Ageing CoLab

18:15 | Closing session: Cláudia Cavadas, UC Vice-Rector

18:30 | Beer for Thought @ CIBB meeting
